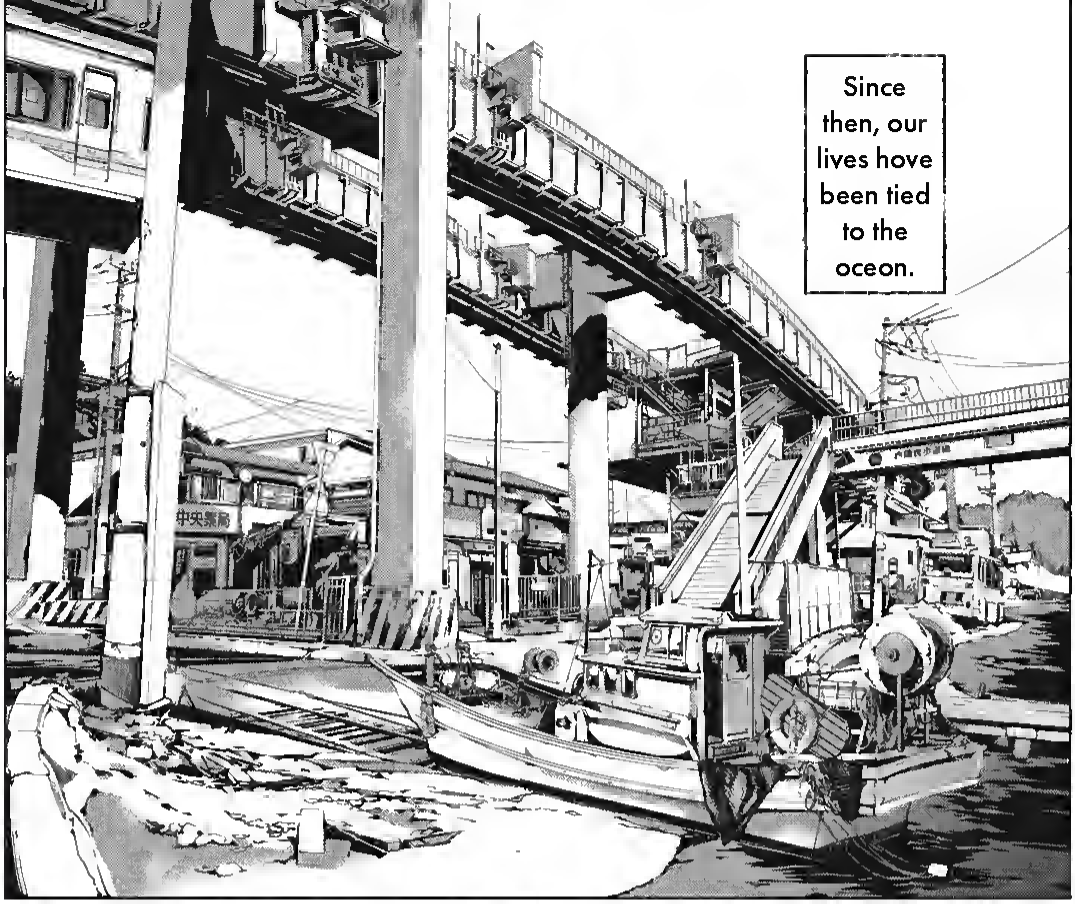
16 years ago,
The world was torn apart by a massive earthquake, and most of the land sank into the depths of the sea.
Ugh, I'm getting wet already on the first day of enrollment!
The tide is high today
DAMMIT!
Got a towel?
My skirt is sticking...



Since then, our lives hove been tied to the oceon.

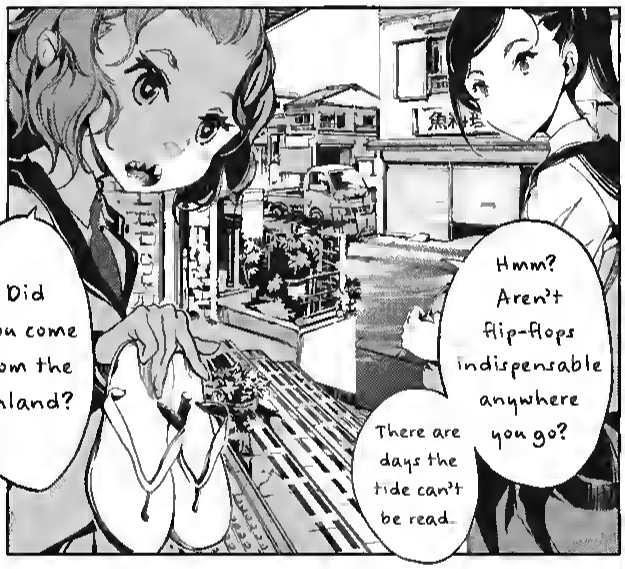
Huh? What are you doing?



Did you come from the inland?
Hmm? Aren't flip-flops indispensable anywhere you go?
There are days the tide can't be read.
